

The International Classified Media Association (ICMA) is the global community of leading players in the Classified Media Industry.

"Bluerank has been visiting all ICMA conferences since 2008. It was a great decision from the very beginning - at present we can see benefits of our brand awareness growth among ICMA members but more importantly each meeting is a great opportunity to make new business.

As a result, our homepage worldwide map of projects is consistently growing twice a year."

Maciej Galecki, CEO Bluerank, Poland

Dear Potential Vendor,

Welcome to the [International Classified Media Association \(ICMA\)](#). ICMA is the global leading community of trusted influencers in the Classified Media Industry. We are dedicated to enhance our members' business capabilities by sharing best practices and new innovations openly. Our network reaches experienced specialists and new potential customers worldwide for your benefit.

As the CEO of a media company, I know how important it is to implement new processes and technologies to facilitate growth and improve profitability. I know first hand the value the ICMA vendors provide offering the tools and technologies to help transform businesses SEO, SEM, revenues, and overall sustainability.

The [ICMA conferences](#) serve and add substantial value to this growing classifieds market segment. The plenary program provides education sessions from the leaders in mobile and social media, while the extended coffee breaks, lunches, vendor round table hour and solid social programme offer one of a kind networking opportunities. The ICMA conferences inspire and introduce you to the leading classified players in the marketplace.

We invite you to try us out for the ICMA Prague, Czech Republic "[Expanding Beyond Classifieds](#)" taking place 13-16 November 2013. You are invited to make the competitive difference to your business.
