A man with grey hair, wearing a dark blue jacket over a white shirt, is looking towards a woman with blonde hair. The woman is wearing a dark blue cardigan over a light grey top and is smiling. They are standing in front of a dark green door with a brass doorknob and a mail slot. A white speech bubble is positioned between them, containing the text "I'm thinking of hiring an associate.".

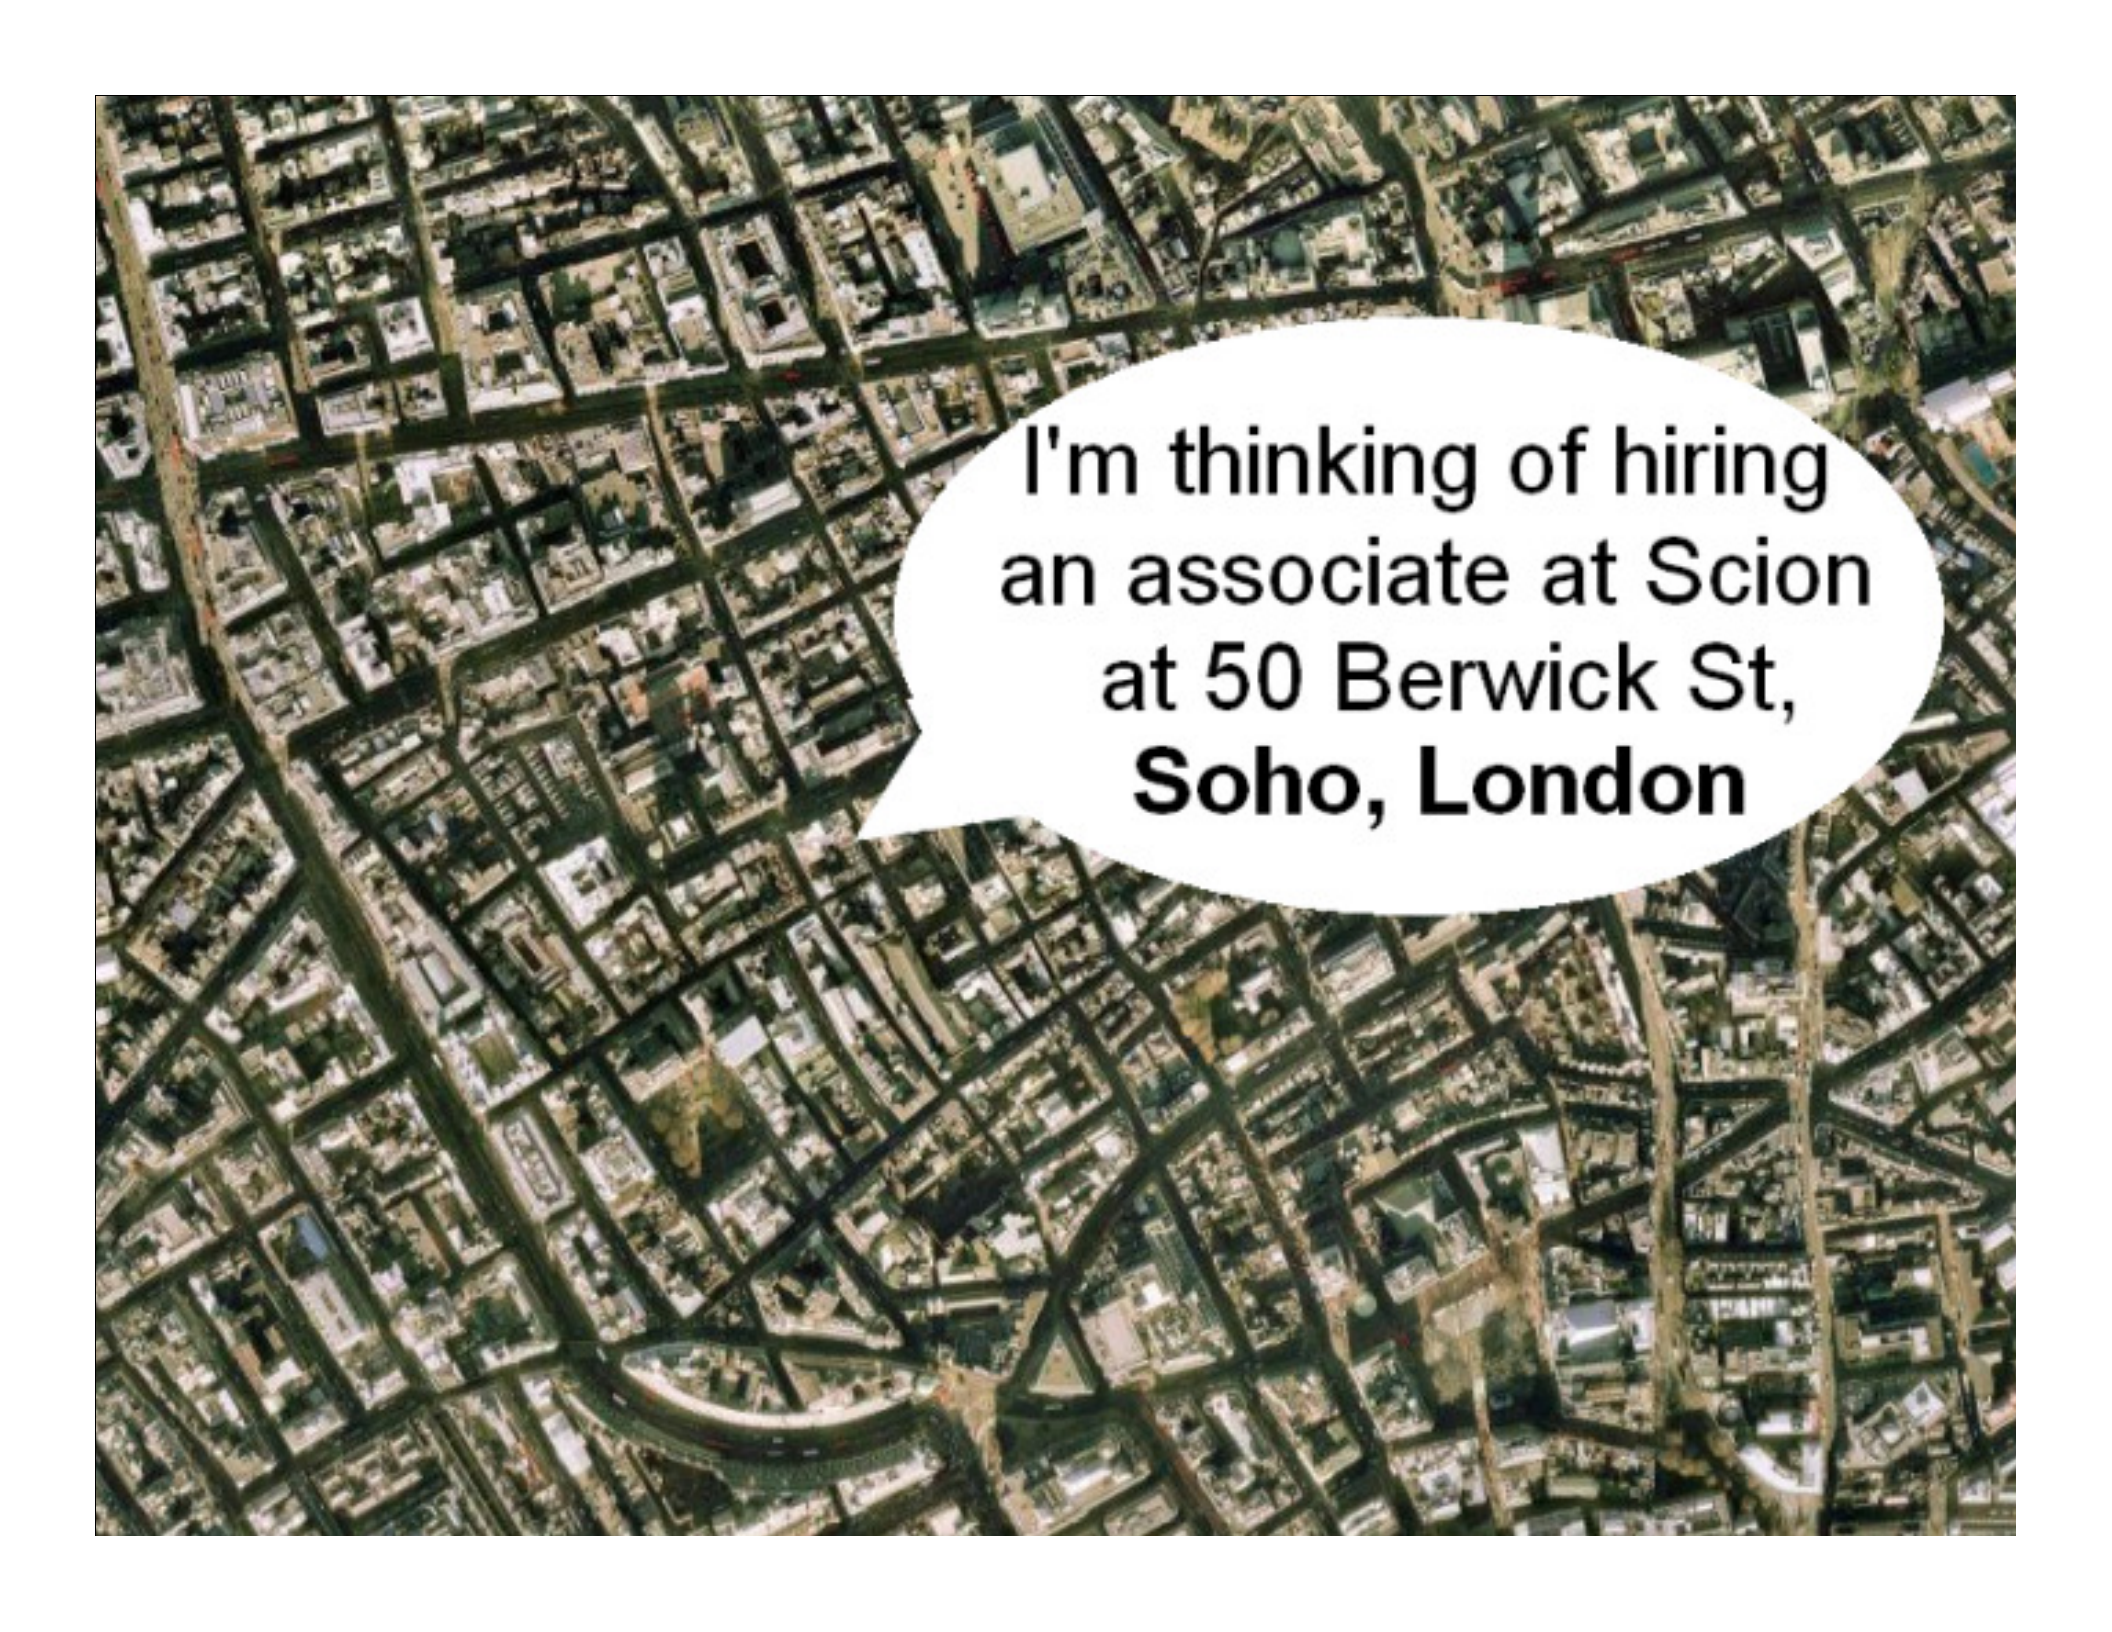

I'm thinking of  
hiring an  
associate.

I'm thinking of hiring  
an associate at **Scion**  
at **50 Berwick St.**

An aerial photograph of the Soho district in London, showing a dense grid of streets and buildings. The River Thames is visible at the bottom of the frame. A white speech bubble is overlaid on the right side of the image.

I'm thinking of hiring  
an associate at Scion  
at 50 Berwick St,  
**Soho, London**

Seeking a Flash Designer/Web Developer who can create stunning vector art and support Action Script

**Job Title:** Flash Designer / Web Developer  
**Location:** Raleigh NC  
**Pay Range:** \$65K to \$75K  
**Job Type:** Direct Hire or Contract-to-hire

Techead is seeking a full-time, experienced Flash Designer / Web Developer that thrives in a high-impact environment and has a thorough knowledge of ActionScript 2.0 or 3.0. As part of a hyper-creative team, you'll utilize your existing skills to produce stunning Web designs that will be the envy of our competitors. You will also be exposed to the latest innovative methods of creating spectacular vector art which promises to take your skills and talents to new heights. A great candidate will also have a solid foundation in the traditional arts, including animation and kinetics

### Key Responsibilities

- User your individual creativity and skills to make significant recommendations concerning ground-breaking designs.
- Script and implement inventive graphic solutions.
- Apply your knowledge of highly kinetic motion graphic animations.
- Enjoy collaborating with a team of talented Creative Managers and Directors.

### Requirements

- Strong knowledge of design principles, typography, user interfaces, Web standards and usability
- Ability to implement Web site concepts within parameters provided
- Candidate should have a solid understanding of design pitfalls, Web standards and browser compatibility issues
- Demonstrated mastery of Adobe Photoshop

## Pastry chef wanted for recipe development (Austin)

[36-1175313385@craigslist.org](mailto:36-1175313385@craigslist.org) [\[Errors when replying to ads?\]](#)

7, 12:26PM CDT

an fast food restaurant (projected opening late 2009/early 2010) is seeking a professionally trained pastry chef for recipe development. This is an hourly contract position, and there is no room for a learning curve. The majority of ingredients used in recipes must be organic.

Our business is to provide high quality, "next generation" vegan, organic food in a modified fast food environment. Much of the vegan food a candidate should bring an excitement and talent at bringing simple vegan baked goods (cookies, brownies, muffins, donuts) to the

This is a contract job and any recipes created will become the property of our business. Initial contract will be for just one recipe, but more will be discussed. Compensation is \$20/hr + cost of ingredients.

Respond through this posting if interested.

Austin

Compensation: \$20/hr + cost of ingredients

Contract job.

Only. Recruiters, please don't contact this job poster.
